1. The White Russian soldiers at Santai (88-44, 44-04) who are going with Osman to Gas Kul (Tsaidam area), approximately 100 in number, are organized as a cavalry squadron. The same is true of the Tungkan troops at Santai, approximately 100 in number, who are likewise expected to make the move with Osman. Both of these squadrons are attached to the 8 Cavalry Regiment, which has headquarters at Tihua.
2. There is also a squadron of Mongol cavalry at Santai, from the 9 Cavalry Regiment, which has headquarters at Yenchi (Kara Shahr) (86-19, 42-04). The Mongol squadron probably will not go to Tsaidam with Osman.
